

*Are you looking for ideas to improve instruction?*

*Evalutech* gives you:

- lesson plans and Web resources;
- links to learning resources provided by SREB states' departments of education; and
- reviews of instructional resources.

*Do you want information about online professional development options?*

*Evalutech* has a MOPD *ToolKit* from the Multi-State Online Professional Development initiative that features:

- the *Why Online Professional Development?* publication;
- policies and budget;
- standards;
- teaching online...and more.

*Do you want to find recommended reviews of instructional resources?*

*Evalutech* provides reviews of instructional resources that:

- meet evaluation criteria;
- are *recommended* by reviewers; and
- are correlated to academic subjects and grade-level use.

*Do you want to know more about other new instructional topics?*

*Evalutech* has information about:

- 21st Century Skills – an analysis of literacy skills;
- serving students with disabilities;
- online learning; and
- publisher digital content for online courses.

*Do you want to know more about virtual schools and online learning?*

*EvaluTech* has:

- online learning resources for K-12 and higher education;
- links to many virtual schools; and
- an interactive multimedia presentation that explains online learning.

*Do you want to know more about e-learning products and services companies?*

*EvaluTech* has identified:

- leading companies;
- key issues relating to e-learning in states and schools; and
- links to evaluations of e-learning software.

*What other services does EvaluTech provide?*

*EvaluTech* has resource persons who help educators find materials for a variety of student-learning styles and teacher methods. *There is no charge for any of the services of EvaluTech.*

*Who provides EvaluTech?*

*EvaluTech* is available through the joint efforts of the Southern Regional Education Board's Educational Technology Cooperative and the North Carolina Department of Public Instruction in collaboration with the departments of education of Alabama, Arkansas, Delaware, Florida, Georgia, Kentucky, Louisiana, Maryland, Mississippi, North Carolina, Oklahoma, South Carolina, Tennessee, Texas, Virginia and West Virginia.

*Where is the EvaluTech Web site, and how do I contact someone if I have a question?*

[www.evalutech.org](http://www.evalutech.org)

Go to "Contact Staff" at the end of the *EvaluTech* page.

Better-trained, better-qualified and **better-supported** teachers are not as likely to leave (the profession) — and would improve the odds of having a quality teacher for every student.
